INTRODUCTION

Eddie Sinkfield started ALPS (American Loss Prevention Services) in 1987. The following is a summary that describes ALPS:

- **Verified Service-Disabled Veteran-Owned Small Business**
- **GSA Federal Supply Schedules:
874-I, 874-IRC – Consulting for Medical Quality &
Cost Control Consulting**
- **Certified by the U.S. Department of Health and Human Services,
Centers for Medicare and Medicaid Services as a Quality
Improvement Organization-like Entity**
- **ALPS employs a team of highly skilled professionals**

RANGE OF SERVICES

ALPS provides comprehensive health care cost containment consulting services including utilization management, cost control, and quality assessment throughout all health care settings. We offer a comprehensive range of consulting services, including:

- **Medical Records and Medical Bill Review**
- **Coding, DRG, & HCC Validation**
- **Evaluation & Management Audits**
- **Quality Review/Quality Assurance Assessment**
- **Pharmaceutical Review**
- **Retrospective Review**
- **Fraud & Abuse Review**
- **Validation of Performance Measures**
- **Medical Record Abstraction and Data Collection**
- **Surveys and Data Collection**
- **Case Management**
- **Physician Case Management**
- **Provider Credentialing & Recredentialing**
- **Subrogation/Third Party Liability Review**

This full range of services is offered to all clients as a comprehensive package. However, any one, or any number of these services can be unbundled to meet the specific needs of that client. This customer-focused flexibility is, we believe, one of the key benefits of our service, and our key competitive advantage. Past performance and references are available upon request. For the past 15 years, ALPS has retained 4 million dollars General Liability and 3 million dollars Excess/Umbrella Liability with the same insurance company, which is, rated A+ Superior by the A.M. Best Company.

OUR MISSION

ALPS Services, Inc. is a member in the growing field of Medical Quality and Cost Control Consulting. ALPS has clients that include insurers, health care providers, private and public organizations.

Three principles help define our mission:

- Controlling health care cost
- Ensuring quality of care; and
- Providing physician peer review

Based on these principles, our mission is to ensure that patients/plan members are provided with health services that meet the highest professionally recognized standards of care; that this is provided in the most appropriate setting; that treatment is medically necessary and is provided at the lowest possible cost.
