

Medical Cost Containment Services

Our mission is to manage medical quality of care and control costs.

ALPS Integrated Medical Management System (AIMMS) is the ultimate system to achieve that Mission. **AIMMS** is an ideal system for:

- Medical Records and Medical Bill Review
- Coding, DRG, & HCC Validation
- Evaluation & Management Audits
- Quality Review/Quality Assurance Assessment
- Pharmaceutical Review
- Retrospective Review
- Fraud & Abuse Review
- Validation of Performance Measures
- Medical Record Abstraction
- Surveys and Data Collection
- Case Management
- Physician Case Management
- Provider Credentialing & Recredentialing
- Subrogation/Third Party Liability Review

The Company

- Service Disabled Veteran-Owned Small Business
- Certified by the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services as a Quality Improvement Organization-like Entity

ALPS INTEGRATED MEDICAL MANAGEMENT SYSTEM

Utilization Review Process

Pre-Admission Certification Before Hospitalization

Investigate and verify medical issues regarding proposed treatment and hospitalization

Physician Peer Review During Hospitalization

Monitor the level and quality of treatment during hospitalization and while receiving outpatient care

Retrospective Review & Medical Bill Audit After Hospitalization

Analyze whether services and costs were reasonable, usual and customary

Discharge Planning Before & During Hospitalization

Effect an appropriate and timely discharge by assessing patient's needs and arranging for the necessary services, treatment and resources after hospitalization

Case Management

- An integral part of pre-certification, physician peer review and discharge planning
- Ensure continuity of care
- Contain costs by eliminating or reducing unnecessary utilization of resources
- Improve patient satisfaction and quality of care

Out-Patient Case Management

Follow-up care supervision
Pre-authorization of services
Medication management
Facilitate a timely return to a full and productive lifestyle

Focused Flexibility

ALPS provides comprehensive health care management services including utilization management, cost control and quality assessment services throughout all health care settings.

This full range of services is offered to all clients as a comprehensive package. However, any one or number of these services can be unbundled to meet your specific needs. This client-focused flexibility is one of the key benefits of our service and our competitive advantage.

ALPS serves businesses, insurers, health care providers and government agencies by custom designing programs to meet each client's unique needs. We are committed to ensuring quality health care while controlling cost.

Subrogation/Third Party Recovery

- Recover from a negligent third party medical and other benefits paid out on behalf of your employees or their dependent
- Policy wording consultation
- Guaranteed results through a contingency fee schedule
- Every net dollar recovered becomes pure profit for your company
